**E-Alert**

Technology provides a means to communicate vital information quickly to families in the district. This includes an alert system, **“E-Alert,”** which enables the district to send information by three means: recorded telephone message, e-mail, and text message regarding weather delays, cancellations, event reminders, and absences. The district will also use the system for occasional non-urgent, school related communication. If you would like to utilize this service, list your contact information below. Please be aware that urgent notifications will be delivered to ALL of the contact numbers/addresses below. If you elect to receive text messages, be aware that you may incur a charge from your cell phone provider.

## HOME LANGUAGE SURVEY\*

The Office of Civil Rights (OCR) requires that school districts/charter schools/full day AVTS identify limited English proficient (LEP) students in order to provide appropriate language instructional programs for them. Pennsylvania has selected the Home Language Survey as the method for the identification.

**Student's Name:** \_\_\_\_\_ **Grade:** \_\_\_\_\_

1. **What is/was the student's first language?** \_\_\_\_\_

2. **Does student speak fluent English?** \_\_\_\_\_

3. **Does the student speak a language(s) other than English?** (Do not include languages learned in school.)

Yes  No

**If yes, specify the language(s):** \_\_\_\_\_

4. **What language(s) is/are spoken in your home?** \_\_\_\_\_

**When did the student enter the United States:** \_\_\_\_\_

**If student was not born in Pennsylvania, when did student enter PA?** \_\_\_\_\_

**Parent/Guardian signature:** \_\_\_\_\_

\*The school district/charter school/full day AVTS has the responsibility under the federal law to serve students who are limited English proficient and need English instructional services. Given this responsibility, the school district/charter school/full day AVTS has the right to ask for the information it needs to identify English Language Learners (ELLs). As part of the responsibility to locate and identify ELLs, the school district/charter school/full day AVTS may conduct screenings or ask for related information about students who are already enrolled in the school as well as from students who enroll in the school district/charter school/full day AVTS in the future.

# Guidelines for Use of Wyomissing Area School District Technology Resource/Facilities and Internet Access (Staff, Secondary Students, and Community Members)

I understand that:

1. All uses of the Internet must be in support of education and research and consistent with the purposes of the Wyomissing Area School District.
2. The Internet will be used to support the district's curriculum, the educational projects between schools, communication, and research for district students, teachers, and administrators. Games may not be played on the district computers or networks unless for instructional purposes as specifically assigned by a teacher.
3. Wyomissing Area School District network facilities may not be used to gain or attempt to gain unauthorized access to remote computers.
4. The network, or access to the internet provided by the network will not be used for illegal activity, for profit-making purposes, non-school related activities, lobbying, advertising, to transmit offensive materials, hate mail, discriminating remarks, or to send or obtain obscene or pornographic material.
5. No attempt may be made to disguise the identity of an account or misrepresent other users on the network.
6. With the exception of monitoring of use by authorized staff, users shall not attempt to monitor the school district's or another user's data communication, nor read, copy, change, or delete the school district's or another user's files, passwords, or software without permission of the owner.
7. It is understood that district network administrators can review email and file folders to maintain system integrity and ensure that users are using the system responsibly.
8. No use of the network may be used to perform an act that will seriously impact the operation of computers, peripherals, or networks. This includes but is not limited to, tampering with components of a local area network (LAN) or interfering with the operational readiness of a computer.
9. The illegal use of copyrighted software is prohibited.
10. No attempt may be made to circumvent data protection schemes or uncover security loopholes.
11. No deliberate act shall be performed that wastes computing or networking resources or which unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to sending mass mailings/chain letters, creating multiple jobs or processes, or obtaining unnecessary output or printed material.
12. No programs may be run or installed on any district system that could result in the eventual damage to a file or a computer system. This provision is directed toward, but not limited to the classes of programs known as "computer viruses, Trojan horses, and worms".

13. At no time may the district filtering software be disabled except by authorized school personnel for use by adults in a bona fide research or other lawful purposes.

14. Wyomissing Area School District may terminate the availability of the Internet to any individual user or groups of users at its sole discretion.

From time to time, the Wyomissing Area School District will make determinations on whether specific uses of the network are consistent with the acceptable use practice and will appropriately communicate any such determinations.

The Wyomissing Area School District reserves the right to log and monitor Internet use and to monitor fileserver space utilization.

The Wyomissing Area School District reserves the right to remove a user account on the network to prevent further authorized and/or unauthorized activity. Wyomissing Area School District reserves the right to disconnect an affiliate (school district or other agency) to prevent further authorized or unauthorized activity.

Students who violate these guidelines may be subject to the appropriate provisions of the district discipline code. Staff members who violate these guidelines may be subject to appropriate disciplinary action, up to and including termination of employment.

**Limitation of Liability:** In no event shall the Wyomissing Area School District be liable to any user for any damages, whether direct, indirect, special or consequential, arising out of the use of the Internet, accuracy or correctness of data bases of information contained therein or related directly or indirectly, to any failure or delay in providing access to the Internet.
